What nights/days per week do you know you cannot work?

Can you work during the day, or only in the evenings? Or vice-versa?

PLEASE READ THE FOLLOWING SECTION VERY CAREFULLY:

I understand that working at the theater, or at any other job, is a commitment. I understand that if I accept a job at the theater, that I will be expected to be on time for all of my assigned shifts, or find somebody from an approved list of other employees to fill in for me. I understand that any shift substitutions must be approved by my manager. I understand that the theater is open on all weekends and ALL HOLIDAYS, and that I must work my fair share of weekends and holidays. This includes even Christmas Day. These days can be especially busy, so having employees who can work those days is extremely important. If you cannot work your fair share of weekends and holidays, then you should not apply for this job.

I, the undersigned, understand and commit to the above paragraph. Everything contained in this application is true and accurate, and I take full responsibility for all information contained in this job application.
