In order to comply with the Governor's and Secretary of Health's directive to keep public gatherings below 100 people, County Government has made the decision to close the Starmax Entertainment Facility until further notice.

The Mimbres Valley Learning Center will also be closed for all special events until further notice.

County Courthouse will be minimally staffed but still open to the public. We highly encourage that all transactions be done online or via email if possible.

For Staff:

I am instituting a liberal leave policy, please allow any employee who would like to take PTO, to do so. Please look at your staffing requirements to allow for as few employees coming into work as possible for the next two weeks. If you intend to travel outside of radius of 100 miles, please notify the Manager's Office prior to. All work related travel is suspended until further notice. I will review the travel on a case by case basis.
